

ARTICLE III. CITIZEN’S CONVENIENCE STATION

Sec. 14-38. Access restricted.

(A) The main purpose of the Citizen’s Convenience Station is to provide the city’s residents a place to dispose of solid waste that cannot be collected by their curbside or alley service. Person’s living outside the city limits, commercial service companies, and/or businesses may utilize the Citizen’s Convenience Station as space dictates, however during times of limited space may be denied access in order to provide space to the city’s residents. **City garbage bill/Water bill and a photo I.D. are required to verify city residency.**

(B) Construction waste from other than a city resident will not be accepted. City residents with construction waste will be limited to: two (2) cubic yard maximum loads, three (3) times per calendar year. **Construction waste cannot be accepted at this time.**

(C) Times of operation: The Citizen’s Convenience Station shall be open from 8:00 a.m. to 4:00 p.m., Tuesday through Saturday.

Sec. 14-39. Fees.

No Bills larger than twenty dollars (\$20.00) accepted.

(A) Service fees for the handling, compaction, disposal, or otherwise processing of refuse brought to any state-approved city disposal site shall be charged for according to the bulk, nature of refuse, and difficulty of handling, compaction, or disposal. Charges for general refuse shall be on a quantity basis of five dollars (\$5.00) per cubic yard of refuse for material originating inside the city limits. General refuse shall include solid waste and other materials that can be readily compacted and reduced in size without special handling, with the exception of: Class 1 non-hazardous waste, hazardous waste and special waste, shingles, wet paint, oil/lubricants of any kind, and items that have/had Freon.

(B) Tree limbs, brush, and hedge trimming disposal. Individuals living inside the city limits may dispose of tree limbs, brush, and hedge trimmings for free as long as no solid waste of any kind is mixed in with the load. Individuals and/or businesses that operate a tree trimming service are not allowed this free service.

(C) Tree limbs, brush, hedge trimmings brought to the Citizen’s Convenience Station by tree trimming businesses or people residing outside the city limits shall be charged a minimum of fifteen dollars (\$15.00) for up to two (2) cubic yards and seven dollars and fifty cents (\$7.50) for each additional cubic yard. Loads mixed with solid waste will not be accepted.
