

The City of Waxahachie is accepting applications for a **Field Supervisor at WasteWater Collection**. The individual for this position will Supervise and coordinate the activities and operation of the Water & WasteWater division within the Utilities department including water and sewer construction and maintenance; to coordinate assigned activities with other divisions; departments, and outside agencies; and to lead and participate in the more technically complex work of the division and provide excellent customer service.

Experience and Training Guidelines

Any combination of experience and training that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Experience:

Minimum of four years of increasingly responsible water and sewer construction and maintenance experience including one year of lead or supervisory responsibility.

Training:

HS Diploma or GED supplemented by specialized training in Water Distribution and WasteWater Collection.

Licensing and certification:

Possession of, an appropriate, valid Texas Class B commercial driver's license (CDL)

Minimum of a valid Class "C" Water Distribution and Class II WasteWater Collection License issued by the Texas Commission on Environmental Quality.

Salary: \$19.859 per hour

Hours Monday – Friday 8:00 a.m. – 5:00 p.m.
