6"	actual cost	-----	\$7230.00 <sup>(3)</sup>	call for price	\$150.00
8"	actual cost	-----	call for price	call for price	\$200.00

Bull Head setup on 1-inch water service only \$400.00

Vaults for 3-inch and larger meter are fabricated by a third party and include bypass piping. City will call with specific details and obtain cost.

**Notes:**

- (1) 5/8" x 3/4" water meter
- (2) We do not make 3-inch taps, this will be 4-inch tap and service with 3-inch meter
- (3) Compound Meter and Strainer with Touch Read Register
